

“Drive for Drives”

for Tallulah Falls School Students

**The 2010-2012 GFWC/GaFWC Director of Junior Clubs
Tallulah Falls School Project**

The goal of “Drive for Drives” is to provide every student at Tallulah Falls School with a 2 GB USB flash drive* for her/his computer when the school years start in 2010 and in 2011. The drives are needed by the students to store their school work and assignments.

*(*A USB flash drive is also called a jump drive, a thumb drive or a memory stick.)*

We reached our goal for the 2010-2011 school year by donating 270 2GB USB flash drives to the students enrolled at Tallulah Falls School. Thank you for your support of this project.

We now need to raise the funds to purchase 340 2GB USB flash drives by the beginning of the next TFS school year (2011-2012).

To achieve this goal we need your \$10.00 donation to purchase the flash drives.

Checks should be made out to:
GaFWC Junior Conference with Drive for Drives in the memo line

Checks should be mailed to:
Elizabeth Chadwick, GFWC/Georgia Junior Conference Treasurer
2715 Clearview Drive | Rocky Face, GA 30740

Donate \$10.00 to purchase a flash drive & you may wear denim or jeans to the
GFWC Georgia Junior Conference Board Meeting
and Junior/General Breakfast at Institute in August.
Your receipt for this event will be available at Institute or at the door on Sunday morning.
