

2010-2012 GaFWC State President's Project for Tallulah Falls School

"Sounds of Tallulah"

BELL TOWER *for the new* Academic Complex

The Bell Tower is part of the new addition to the Tallulah Falls Academic Building. It will be one of the main focal points of our school. The cost of this project is \$80,000. We hope that each club member in the Georgia Federation of Women's Clubs will take part in making the "Sounds of Tallulah" ring throughout the North Georgia Mountains.

To make this project a reality:

- (1) Each member contributing \$25.00 or more will receive a collectible Bell Tower pin.
- (2) Each club whose total contributions are \$250.00-\$499.00 will receive a Bell Tower certificate.
- (3) Each club whose total contributions are \$500.00 or more will receive a certificate and will have the club's name published in the *Tallulah Falls School Magazine*. TFS will tabulate contributions by member and club.

**Checks should be made out to: "Tallulah Falls School"
