

**Safety With Bee A Buckler**

By Public Affairs Dept.

GaFWC members who attended the Public Affairs Dept. workshop at Summer Institute had the opportunity to meet Hannah Walters, author of Safety With Bee A Buckler. Due to an overwhelming interest in this children's book, the Public Affairs Department is pleased to announce that Hannah will be attending GaFWC Convention 2010 to personally meet members and autograph books.

Hannah is the daughter of Julie Walters, Athens-Oconee Junior WC. She wrote, photographed and designed the Safety With Bee A Buckler book for her Girl Scout Silver Award. Hannah was asked to be a guest speaker at the National Association of Women Highway Safety Leaders convention at the workshop "Involving Youth in Highway Safety" where she introduced her book. Her book was well received. The group from Guam ordered 50 copies to put in the elementary schools on the island. Your club may wish to donate copies to libraries or schools too!

Books may be pre-ordered for \$12.00 each. **Deadline to pre-order** for delivery at 2010 convention is **February 15, 2010**. Safety with Bee A Buckler is a hard cover, full color, 24 page book ideal for young readers. The book teaches auto, bike, water, and railroad safety.

Pre-orders should be mailed to:

Julie Walters  
1491 Robin Hood Road  
Watkinsville, GA 30677
